

August 2009

The *3:20 Club* offers your child an afternoon of free play, structured homework time, snack and group activities. We would like to take this opportunity to open enrollment for the 2009-2010 school year. Students from grades K-5 are welcome to join us for a structured afternoon of academic and extracurricular activities.

The program is offered:

When: Monday – Friday

Start Date: September 1, 2009

Time: 3:20 pm to 6:00 pm

End Date: June 4, 2009

**The 3:20 Club**

TIME	ACTIVITY
3:15 – 3:30	Arrival/Snack (Students are to bring their own snack)
3:30 – 4:00	Free Play (Indoor or Outdoor – weather permitting)
4:00 – 5:00	Academic Time Homework/Quiet Reading
5:00 – 6:00	Organized Activity/Social Time/Computers

After school activities are an important time for students to learn productive study habits and social skills. Homework is an essential part of our after-school program. Students are required to complete all homework and have it checked by an adult before they can begin another activity. If homework is not assigned, age appropriate academic related activities will be provided and students will be encouraged to participate in those activities during the academic time. Before leaving each day, families will receive a Daily Log. This Log will provide you with some insight into your child's time with us, mood, homework completion, comments and reminders. To keep in line with school policy, we ask that students not bring their hand-held games.

Thank you for your interest in the McLean After-School Program.

Sincerely,  
Jenny Whichard '92
