

On Wednesday July 22nd, the PVAC Athletic Directors voted to postpone the start of the fall sports season due to the ongoing COVID-19 pandemic. The Directors have created a condensed three-season plan, which will have competition begin in January. The Directors felt that this was the best course of action given the plans of our peer leagues in the DMV and will give our student-athletes the best opportunity to compete against both league and non-league opponents. The Directors plan to finalize dates in the next couple of weeks and create modified rules to govern our condensed seasons. All season plans will only go forward if health conditions allow.
