

ENTERING GRADE 6 SUMMER READING

THE MAYA

The Maya were an advanced civilization that made important innovations in the areas of food, art, architecture, religion, government, war, mathematics, and astronomy. This summer, you will read, watch, or listen to at least three of the suggested texts and complete memory box to share what you learned.

MEMORY BOX GUIDELINES

If you visited the Ancient Mayans, what five souvenirs might you bring back?

Your job is to make a memory box sharing what Mayan items you might bring back from your trip. Your memory box can be a physical box OR a digital slideshow.

Step 1: Gather, draw, or find images of five items you might have seen if you visited the ancient Mayans.

Step 2: Write a short description (2-3 sentences) for EACH item. Include the name of item and explain what it is.

Step 3: Bring in your project on September 6, 2024 and be ready to present it to your class!

PROJECT EXAMPLE

Need an example or inspiration for your project? Click here to see a [sample project](#) created by your teachers.

READING LIST

Choose from the following texts, videos and other resources to learn more about the ancient Mayans. Remember you need to read, watch or listen to AT LEAST THREE (3) different resources!

JUST GETTING STARTED

These books, games, and videos will introduce you to the fascinating world of the Maya! Choose from these resources if you don't know much about the Mayans and want an introduction.
