

# TIME TRAVEL

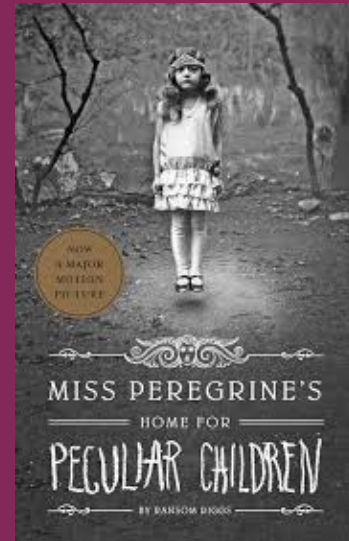

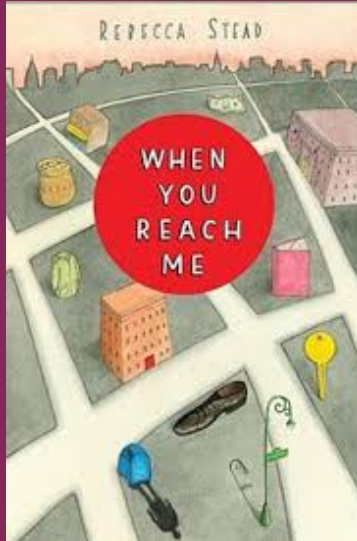

Would you want to change the past or see into the future? Time travel could give us the chance to fix our mistakes or to prepare for what comes next, but it could also have unintended consequences. When you interrupt a chain of events, the outcomes are unpredictable. This summer, explore the challenges and responsibilities of being a traveler in time.

### Time Travel Vocabulary

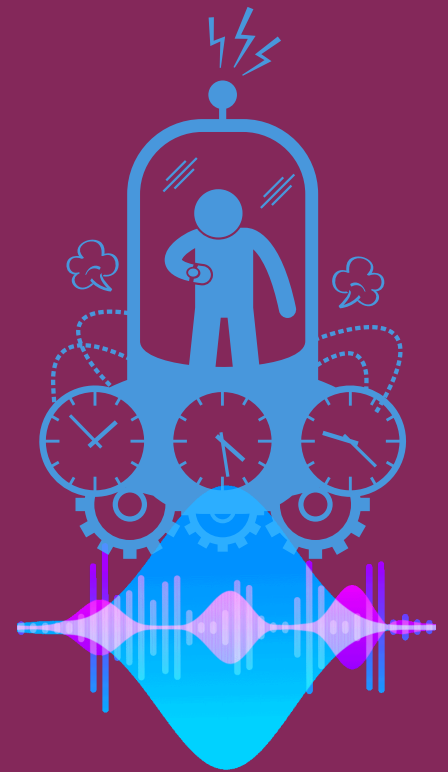

- Chronological- in time order
- Continuity- existing/continuing over time
- Duration- how long something lasts
- Era- a period of time where things stay the same
- Finite- a limited amount
- Inopportune- inconvenient
- Temporal- having to do with time

## TIME TRAVEL BOOK CLUBS

Choose one text about time travel and complete the note-taking worksheet. Your notes are due on September 5, 2025.

**How do the characters' experiences of time allow them to make meaningful changes in their lives?**

Title of Book:	Name:
	Class: 8th Grade Summer Reading
